

Campbell Scout Saves Life Of Drowning Boy

By Vivian Faulkner

A twelve year old Campbell Boy Scout rescued a younger swimming companion from drowning last Wednesday, August 10, while on a camping trip with his family

DON PERKINS

on the Smith River near Crescent City, California.

Don Perkins, Jr., son of Mr. and Mrs. Donald Perkins of 551 Emery Street, had been swimming and diving off a large rock in the center of the river with John Duplyn, 10, whose family was camped nearby. Suddenly the younger boy disappeared in a deep hole near the rock and on re-surfacing, he frantically tried to climb on Don's back.

Don said he thought the boy was still playing until he turned around and saw the odd look on his face. Then, realizing the younger boy was in trouble, Don seized him and towed him to the beach where he was aided by adults and soon recovered.

Donald's mother, who had been sitting on the beach watching her younger children, Dick, David and Diane, said the first inkling she had that anything had happened was when a man seated fifty feet away suddenly dashed by her tearing off his jacket and yelling "There's a boy going down out there." It was then she saw her son towing the younger boy towards the beach.

Mrs. Perkins said Don has been swimming for two years and that it was originally recommended by doctors as a physical therapy for his arthritis. This past summer he was enrolled in the advanced swim class at Campbell High School and is very proud of four ribbons he won in the regular Friday afternoon races held at the pool. Mounted on a plaque in his room are two 1st prizes, one 2nd, and one 3rd.

Martin Jensen, Venerable Story Teller, Dies

Capt. Martin Jensen, whose stories of life at sea thrilled hundreds of boys in Campbell a few years ago died Monday at the age of 98 at the San Rafael Danish home. He was the father of Oliver Jensen of 102 North Second Street, former city councilman and now building inspector for the new Camden High School. He was also the father of Mrs. Matilda Tichenor of Van Nuys, and the grandfather of Jean J. LaMar of Campbell and of Paul and Richard Tichenor of Van Nuys.

Captain Jensen was a native of Denmark and a member of the Society of Danneskjold, Branch 17 of Dania. He retired from the sea 40 years ago and purchased a ranch at Cupertino which he operated until 1940. He then built a home at 88 North First Street where he lived a few years then moved to San Rafael.

Captain Jensen went to sea when he was 12 in a sailing vessel on a German line. He sailed in windjammers between San Francisco and Australia, around Africa and South America, and was in the gold rush to Skagway, Alaska in 1898.

One of his stories which he swore was true was that Kaiser Wilhelm as a young man was assigned to his ship for training and that he made the Kaiser wash his shirt in exchange for an orange. He told of landing on cannibal islands and some of his experiences there were comparable to those of Robinson Crusoe.

Funeral services were held yesterday afternoon from the Darling-Fischer and Krug Memorial Chapel here with interment in Santa Clara Cemetery.

The right combination for More Pull The Campbell Press and Shoppers Guide.

PG&E MOVES CORPORATION YARD HERE

Temporary quarters for their corporation yard in Campbell have been set up by the Pacific Gas and Electric Company at the rear of their Hamilton and Central substation. Site of their yard was formerly on the north side of West Campbell avenue between Llewellyn Avenue and San Tomas Aquino Creek, the Campbell Water Company owners having declined to renew the lease when it expired on August 1.

Homer Hyde of the Campbell Water Company said his company has no immediate plans for use of the property.

Fred Harper, construction superintendent for PG&E Co. said the new location is temporary as the general construction crew moves around where needed over Northern California, and that they may be here six months or a year, depending on extent of work to be done. Their temporary offices are at Hamilton and Central avenues station where their equipment is kept overnights.

Harper said yesterday that as many as three crews had worked out of Campbell avenue location but that now there is but one crew of from ten to twelve men on duty, mainly on subdivision work. He said he was not aware of any plans by the company of the future status of the Hamilton-Central avenue substation when the 100,000 volt substation is set up on Los Gatos Creek area north of Hamilton avenue.

Campbell F.H.A. Girls Planning Fair Exhibits

Plans for entering displays for competition in the Junior department of the Santa Clara County Fair were made Monday night by a joint meeting of enthusiastic Future Homemakers of America from Campbell, Camden and James Lick High Schools. The girls, three chapter mothers, and four of their high school advisors, met at the home of one Campbell High advisor, Mrs. Adele Charlson, at 1168 Pine Avenue, and held a potluck supper prior to opening the discussion on the various type entries to be exhibited.

Encouraged by the numerous prizes received by Campbell F. H. A. girls at the fair last year, the group is planning an even greater number of entries this year in the preserved foods, baked goods, confections, and clothing divisions.

Beside exhibiting the fruits of their labors, the Campbell F. H. A. girls will set up a model kitchen similar to one last year, and take turns demonstrating their prowess as cooks in the afternoon and evenings, with samples of the finished products distributed to spectators. This particular booth proved to be very popular last year but left the girls wondering whether fair-goers just liked to watch them at work or enjoyed eating their freshly baked hot cookies.

Friday is the deadline for entries. Mrs. Charlson said, and any girls planning on displaying samples of their work who have not filled out their entry blanks should do so immediately.

Campbell High School leads the list with hundreds of entries from twenty-one girls. They are:

Masako Kawauchi, Josephine Buccellato, Jan Whitney, Ellen Nunamaker, Carol N. Young, Sonja Benson, Kathaleen Ertel, Maxine Miyakawa, Susan Nomura, Jeannette Hiland, Joyce Takano, Charlene Carmichael, Dolores Machado, Carol Steinmetz, Arlene Bese, Janice Polglase, Beverly Shanrock, Betty Shmagawa, Janice Nomura, Frances Rodriguez and Leora Scattini.

The Campbell advisors are extremely happy that four of last year's freshman girls who will enter Camden High as sophomores this fall, have decided to have a display for their new high school. Camden entries are Harriett Glass, Karen Gardner, Phyllis Gardner, and Reva Strickland.

Entries from James Lick High School are Anna Nissen, Kelke Tsukuda, and Joyce Yuri Oyama.

Homemaking department heads present for the combined meeting of the various high schools were: Mesdames Mabel Swift of Camden; Helen Gurries of James Lick; Dorothy Harrington and Adele Charlson, both of Campbell.

Chapter mothers were Mesdames Glass of Camden; Bese and Scattini, both of Campbell.

JERRY HENLEY, EAGLE SCOUT, REPORTS ON TRIP TO EUROPE

Jerry Henley, Eagle Explorer Scout from Campbell who was one of the sixteen scouts selected from the entire United States for a one month good-will tour of Europe, told members of the Kiwanis Club on Tuesday some of his experiences in Germany, England, Norway and Sweden. Jerry said the fundamentals of scouting is the same the

JERRY HENLEY

world over and that he got to understand conditions through living in the private homes of scouts of the various countries. A junior student at Campbell High School, Jerry, who is 17 and the son of District School Superintendent and Mrs. William Henley of 121 South Winchester Road, returned from the expense paid trip last Tuesday. Silva Compass Company of Stockholm was host for the trip over seas and the United States Air Force provided the transportation to and from Germany. He and one other scout from California took off from Hamilton Field on June 27 for New York, flew to Newfoundland then to Germany where they stayed the first nights at Four Seasons Hotel in Frankfurt. He said the people of Germany were very cooperative and hospitable and that food, while not plentiful is inexpensive.

At England he told of the many servings of tea. They do not have all our conveniences as many homes are old. They have electricity, but rely on coal for winter heating. From London he went to Cambridge where he was housed in a mansion. He saw many chapels, went for a scout cruise on the Thames. He said that while many whom he talked with live in the past, they do have intense pride in their country. From Newcastle he went by boat to Norway and at Oslo enjoyed the rugged life of its people and the wholesome foods. He saw many bicycles in use and everywhere activities. Sweden seems the more modern country with lots of automobiles, modern buildings and facilities. He went on long hikes with scouts of those countries and they were as intent on knowing him as he was of understanding them.

He said most of the streets in Norway were of cobblestones. The countryside in Germany is beautiful and the old castles along the Rhine River are interesting, he noted.

Returning to New York, Jerry was flown back to San Francisco airport by the Air Force. Ken Robison, leader of Kiwanis Explorer Troop No. 28 of which Jerry is senior crew leader, said Jerry became a cub scout in Pack 9 in 1947, joined troop 28 in 1950, became a first class scout in 1952 and an Eagle Scout in 1954, progressing as patrol leader, troop ranger, crew leader and in 1953 chosen patrol leader at the National jamboree in Santa Ana.

Last year he was one of five scouts in California called to Sacramento for a conference on conservation with Governor Knight.

Assembly Group Inspects Butano

An inspection trip to Butano Forest was made yesterday by members of the State Assembly Committee on Conservation, Planning and Public Works regarding the proposed acquisition of some 2400 acres of the forest as a state park.

It is understood that a compromise has been reached by the State, San Mateo and Santa Clara County Supervisors and the Santa Cruz Lumber Company.

By its terms, the lumber company would retain about 600 acres of the virgin growth, but the state would get 2,400 acres.

The Assembly Committee after today's inspection, may make recommendations concerning the agreement. Assemblyman Bruce F. Allen of San Jose, a committee member, has asked that the agreement be rejected and that the state condemn all 3,000 acres to halt lumbering operations.

Committeemen, who have been convening in Monterey since Monday, left for the forest by caravan this morning from Saratoga Summit.

Committee Chairman Francis Lindsay (R-Loomis) today denied reports that his group has tentatively approved the 2400-acre compromise.

KIWANIS KAPERS TO BENEFIT THE YOUTH PROGRAM

Rehearsals are going on for Kiwanis Kapers, the annual fun event staged by the Campbell Kiwanis Club to raise funds for the Boys and Girls committee work. The program is to be September 30 in the Grammar School auditorium instead of at the high school as previously announced.

SCOUTS LEARN LIFE-SAVING TECHNIQUES

Boy Scout Troop 31, sponsored by the Congregational Church, learned about artificial respiration at its Tuesday night meeting. Scoutmaster Vincent Diehl and Police Chief Robert Locke demonstrated first aid and artificial respiration, explaining a different method used on babies. Bruce Barton and Gordon Seligson planned the program for the evening.

It was announced that four scouts had made an eighteen mile hike last Saturday, but the four would not say where they had gone. They were John Diehl, Douglas Kelter, Eugene Stradley, and Kerry Hanson.

A new member of the troop is Robert Bacon, who is transferring in from Troop 41, Santa Ana.

Anthony Van Laarhoven, new principal for the Rosemary school, who has moved here from Firebaugh in Madera County, where he was a school principal.

Lois Fairbanks Wins Cambrian Queen Contest

Lois Fairbanks, 17, daughter of Mrs. Ruth Fairbanks of 2878 Kilo, was judged 'Miss Cambrian Park' in an elimination contest held last night at Cambrian Plaza. She will now compete with other contest winners of Santa Clara county communities for the title 'Miss Santa Clara County Fair' in the final contest to be held August 21 at the fairgrounds.

Gayla Grimaldi was judged second place winner, and Louise Damer, third.

Lois was presented with a gold trophy by Mrs. Doris Brown, chairman of the queen contest sponsored by Cambrian merchants, along with a certificate for a six months' modeling course awarded by a San Jose modeling school, and her choice of bathing suit from Cambrian merchants. She is also scheduled to reign over the fourth annual 'Cambriana,' a local fair to be held soon by Cambrian merchants.

The winner was sponsored by Daugherty's Drug Store and the Cambrian Variety. She is a June graduate of Campbell High School and will enter San Jose State College in September to study drama.

Judging contestants on photogenic appeal, appearance, voice, charm and personality, were Mrs. Ann Roberts Obenour, president of the San Jose unit of the Cosmetologists Association, Bob Hum of Radio KERN, and Mrs. Vivian Faulkner of the Campbell Press.

Teachers To Attend State Conference

High school homemaking department heads, Mrs. Adele Charlson, of Campbell, Mrs. Minnie Burk of Los Gatos, and Mrs. Marie Lea of Fremont will leave Monday to attend the State Conference of Vocational Homemaking Teachers which is being held at the University of California at Davis August 23, 24, 25, and 26.

This will be the first state-wide conference and will feature special speakers and workshops.

Mrs. Charlson is scheduled to speak before the assembly on the second day, and will use as her theme, "Working Together Evaluating Future Homemakers in the Total Evaluation Program."

FOREIGN TABLES FEATURE AT FAIR

"Table Settings" prepared by women of foreign extraction will be the featured attraction of the Home Economics Department for the Santa Clara County Fair.

Concentration will be on the table, however, other items in the space will indicate whether the table is set in a dining room, kitchen or patio. Appointments on the table will suggest whether the table is set for breakfast, lunch or dinner.

SUN GARDEN PACKING COMPANY, 1440 South First Street, San Jose, will erect a storage shed at a reported cost of \$5,000 for use as a box shed. Contractor is Pole Frame Construction Company, San Jose.

COMMERCIAL ZONING IS GIVEN NEW ANNEX AREA

The City Council on Monday fixed the tax rate for the fiscal year 1955-56 at \$.74156 per \$100 assessed valuation which rate is approximately 5c less than was the estimated rate needed to meet the \$266,819.46 budget. John Francisco, county assessor, notified the council that the total value of all property within the City of Campbell is \$7,390,450 which sum is \$439,110 more than was estimated when the budget was adopted and the tentative rate of 79c set. The 1954 assessed valuation was \$6,931,340 and the 1953 valuation \$5,758,670.

Council referred to office of the city engineer for a written opinion on merits of changing drainage system on small tract north part of Sunberry Gardens. Mark Thomas, engineer indicated in a letter that San Jose Water Service lays pipe between curb and sidewalks while Campbell Water Company lays pipe under the street so Council will ask that Homer Hyde attend next Council meeting to see if future lines may be put down inside the curb line.

Division of Highways allocated \$5,492.36 for quarterly gas taxes which is \$82 more than estimate. There was no protest against zoning seven acres on the northwest corner of Campbell avenue and San Tomas Aquino Road as commercial, and the remaining 48 acres residential when El Rio Development Company zoning was heard. Pierce Davies representing the developers said they plan to make a neighborhood shop center there to include a food market, drug store, a few small stores and doctors offices. He said they would provide adequate parking facilities.

Mayor Richard Morton, with approval of councilmen, appointed Samuel D. O'Brien of 50 Hunt Way, as a member of the Planning Commission, succeeding John Kahle, now of Saratoga. O'Brien a graduate from University of Santa Clara, is a member of the County Counsel staff.

Council continued the hearing on application of Rosilio Stroppa to rezone property on Harrison avenue so he can operate a tile and ceramics place there. He said the appearance of the building would be improved.

Council gave the green light to H. L. Kelly House-movers to move a house from Meridian Road along Hamilton to the San Jose-Los Gatos Road then to Campbell avenue and over to Winchester Road then south to Bedell Avenue, indicating it should be done at sun-up. Movers indicated they could move the house over this route in 30 minutes.

LeRoy Black, city street superintendent said he had examined

856 trees in parking strips finding 354 had been affected by aphids and estimated cost for single spraying would not exceed \$300, which council approved conditional that the County Agricultural commissioner on inspection says that such spraying will be corrective.

A spokesman for the committee seeking two weeks ago that spraying be done to stop leaves dripping said the leaves are now starting to fall and felt spraying now would not be necessary.

Police Chief Robert Locke said he was unable to propose any names for appointment to the County Safety Commission.

Nestor Barrett, planning consultant reported he had received word from State Board of Equalization requesting up-to-date map to be used when the uniform sales tax goes in effect, but Mayor Morton said the request was premature as the County Board of Supervisors do not intend to act on this matter until January, and by that time the map will probably have changed, besides no one seems certain that it will be approved.

City accepted offer of property owners that North Harrison street be dedicated as a public street, in spite of recommendation of Elmer D'Angelo that certain improvements be first made. Council contended it is destined to become a feeder to a major development and that it has long been in service, so was needed in the overall planning for the city. D'Angelo was acting in capacity of city engineer for Mark Thomas, who is on vacation.

Joseph Bonacina, city attorney said he was getting a list of annexes and will prepare a claim for tax refunds from the County. He also is amending the draft of a proposed agreement for mutual fire protection between Campbell and Los Gatos.

A committee will review the several applications for the position of city auditor and report at next council meeting.

Council set September 12 for hearing on zoning the W. S. Sigal subdivision as R-1. Also filed notice from Lee Brothers that an off sale liquor license had been applied for from State Board of Liquor Control for their store opening in October at Latimer and Winchester Roads.

Rotary Told Of Need For New County Hospital

Dr. Milton Chatten, superintendent of county hospital, told members of the Rotary Club Monday that the hospital is in danger of losing its certificate of accreditation because the equipment and buildings are obsolete and not acceptable for present standards. This means that the hospital may lose its present training program for doctors and nurses which has been in effect since the buildings were erected around the turn of the century, Chatten explained.

He said new facilities are desperately needed, and Robert Carroll, state fire marshal, had called the hospital a "beautiful fire-trap".

Discussing the cost of operation, Chatten said twenty-five or thirty years ago 30% of the budget allotted by the county went for wages and salaries. Today it takes 76%.

The hospital has been granted \$500,000 for new buildings by the federal government which will be matched by the state 2 to 1; the state contributing \$1,250,000, providing a \$9,000,000 bond issue is passed by the county.

Cel Gerevas, president, conducted the meeting and Dr. Orville Bacci was chairman of the day.

JULIARD, INC., 255 Post Street, San Jose, will erect a one-story warehouse type building at Seventh and Commercial Streets, San Jose, for expansion of liquor distribution business. Estimated cost is \$45,988. Lew Jones Construction Company, contracting.

PG&E Is Not To Run Power Line On Creek Course

A proposal to route the high voltage line through Campbell along the Los Gatos Creek to a new substation north of Hamilton avenue has not been received too warmly by PG&E officials because its cost would be an estimated quarter of a million dollars.

City of San Jose made the proposal, and learned that the company has resumed buying easements of residential lots in the vicinity of Union and Camden avenues.

Last April there were protests from residents of Hamilton Square subdivision seeking that the 100,000 volt line be realigned so as to stay clear of the Dover School area and of choice residential properties.

The proposed line would be a branch circuit from the 200,000 volt power line from Coyote to Monta Vista and would power a substation to serve a 30 square mile area from Campbell.

FACTORY ESTABLISHED IN CAMPBELL

TWIN CITIES MANUFACTURING COMPANY, 1175 Campbell Avenue, San Jose, has leased the former Santa Clara Stove Company plant on Railway Avenue in Campbell. Mr. D. N. Gondolfe, Treasurer, advises 13 new employees have been added and capital investment for new plant equipment approximates \$30,000. Company manufactures popular line of furniture.

EDITORIAL

CAMPBELL IN 1960

Because the assessed valuation of taxable properties in Campbell is nearly half a million dollars higher than estimated when the budget was set up, the tax rate is to be five cents per \$100 valuation less than tentatively announced. This is good news, for, as Mayor Richard Morton pointed out at the Council meeting Monday night, we are being provided with more services and equipment needed to match the growth of the city, yet our tax rate remains as one of the lowest of any city in Santa Clara County.

The next three or four years will be important in the proper growth of Campbell. There are roads to be built, a civic center, and other civic facilities to be planned; there are hundreds of new homes, new shopping centers and their groupings of new stores; there are churches and schools that are to grow with the city, for growth in Campbell is something we simply cannot avoid as we are in the center of perhaps the fastest-developing region on the west coast.

It is indeed most difficult to place your finger on any area within a mile of our present city limits where the growth will not multiply within these three years.

In 1960, when the federal census is again taken, we would not be surprised if the population figure is 16,000 here and more than likely it will be more. More than likely the Route 5 Freeway will have been completed by that time, Hamilton avenue will be 120 feet wide and extended westward across San Tomas Aquino Road to Saratoga and Campbell avenue intersection; Winchester avenue will be ninety feet wide; San Jose-Los Gatos Road will be 120 feet wide and Campbell avenue will be four lanes for the width of the city.

There are increasing reports that nationally-known stores are interested in getting sites here. At this stage it is difficult to pinpoint where the fastest development is to be, but it is not so difficult to say that the development will be general and wholesome.

That is what makes a broad tax base. The property valuation is bound to increase in the next year or so. We are fortunate that the tax rate remains in the 70c to 80c bracket.

PRO COSTS UP

The San Francisco 49'ers will pay their coaches and players about \$300,000 this season. Since the playing season runs four months, including the practice games, that's a \$75,000 a month payroll—which is a tidy sum. No player in the American pro league now makes less than \$5,000 for the season. Many of them get far more than that. But George Preston Marshall, the fiery owner of the Washington Redskins, recalls that in 1937 his total payroll was only \$36,000, "including the girl who worked in the office." A top star in those days got \$150 or \$175 per game, and most of the players collected \$75 or \$100. "and were glad to get it." Those who made more than \$1200 for the season were above the average. But when the war broke out and defense jobs offered high income, and when high schools began to offer \$4000 and \$5000 a year for coaches, the pros were forced to raise the ante in order to attract talent. Now even the most tight-fisted clubs in the league, says Marshall, pay out at least a quarter of a million to the coaches and players. In view of the mental strain on the benches and the mayhem committed on the field, few coaches and players are overpaid.

RETREAT FROM THE CITIES

A study on decentralization made by the San Francisco Commonwealth Club has brought the conclusion that moderate-sized communities provide better living and working conditions than metropolitan centers.

The study revealed that people generally are happier and healthier in outlying areas. Industry's personnel problems are fewer and production is proportionately higher.

Here in California the trend to the suburbs and rural areas, led by the development of our unique branch banking system, has long been in progress. In increasing numbers, retail stores and industrial companies are also setting up their branch stores and plants away from the metropolitan centers.

Such decentralization helps to ease parking problems, improves property values, and affords greater convenience for customers, employees, and management.

America will never be without big cities, but it seems destined to have many smaller ones than are now on the map.

BUY AT HOME

It has been the constant belief and contention of this newspaper that as much support as possible be given local enterprises. We have not championed this cause too aggressively because we know too well that the average person does not like being reminded of what should and should not be done, and why. Besides some business men invite you to trade with them through the medium of advertising in the local newspaper, and there are no barriers against such progress.

The local merchant pays local taxes and he supports civic affairs; he often gives space for cake sales to worthy organizations even if by doing so he invites competition with his own business.

The problem of out-of-town promotion for local

NEEDED: A NEW EMANCIPATOR

The Campbell Gambol

BLOODHOUNDS Which were brought to service club meetings in Campbell during the past year or so by Norman Wilson, are the subject of an article appearing in the September issue of Holiday Magazine written by James Thurber... the story attempts to erase any misconceptions regarding the temperament of this canine breed by telling numerous experiences one of which was their picking up the scent of a missing family which led searchers to the bodies of a couple after 322 hours of futile search by men... Wilson lost his job under ex-Sheriff Hornblower and was taken on by the Oregon State Forestry Service.

PRUNE PICKING Is hitting the peak of the season now and from all directions trucks are bringing them in to the dryers... on our street there are not so many lug boxes piled high like they were a year or so ago when we thought it was fun harvesting our first crop, eating all we could, getting pay for fruit we actually produced on our own properties or got credit for fruit when it was dried and packed... I picked 19 lug boxes full of prunes from my five trees last year, doing it on week ends when I would clean up from under one tree after another, then go back to the first one to find quite a few more had fallen... this year the aphids must have moved in as the leaves were sticky and dripping while prunes were in the

green stage, then with cool weather and a sudden warm up some of the prunes cracked, so I'm not so proud of them and I would just as soon not have them around any more... some of the neighbors had their trees cut down, and others had the prunes knocked off before dropping time and gave them to the garbage man to tote away... the orchardists with the know-how though have nice crops, as Santa Clara Valley usually turns out and as the Press reported last week, there should be around 13,000 green ton processed at the Co-operative Dryer again this year, in spite of the many new annexations... and the sharp reduction in my crop.

IF IT WILL Do any good, the city is willing to spray some 354 trees in parking strips to rid them of aphids, according to action taken at the council meeting Monday night... LeRoy Black, street superintendent said he had inspected 856 trees and decided 354 could use a spray, although some of the people wanting the work done two weeks ago told the council the leaves were starting to fall and that double spraying would not be necessary and doubted if spray of any sort would do any good at this time... city will consult Agricultural Commissioner for his advice and will probably act accordingly, Mayor Morton told the group.

Alaskan Pictures Viewed By Grange

At Monday evening's meeting of the Los Gatos Grange, ten new members were obligated by the Sunnyvale degree team and Judge Martin Walsh showed motion pictures of his and Mrs. Walsh's recent trip to Alaska by way of the Alcan Highway.

Judge Emery, master of the Grange, introduced and seated at his right, Santa Clara County Deputy John Gordon; Ed Thomas, master of Mt. Hamilton Grange; Emmett Ivy, master of Sunnyvale Grange; and Floyd Olsen, master of Soquel Grange.

Visiting Grangers were from Mt. Hamilton, Sunnyvale, Orchard City, Soquel, Live Oak and Santa Cruz County.

At the close of the meeting, a large decorated wedding cake was served in honor of Master and Mrs. Emery's fifty-fourth anniversary and Mr. and Mrs. Jesse Evansizer's thirtieth anniversary.

NOW UP TO STATE TO BUY BUTANO

The Boards of Supervisors in both Santa Clara and San Mateo Counties have asked that the state itself acquire the 2,400 acres for a park in the Butano Forest. Both counties had put up \$50,000 in escrow for the virgin redwood stands in the forest.

The State is reported to be negotiating with the Santa Cruz Lumber Company to acquire the 2,400 acres with the company retaining 600 acres.

GIACOMAZZI BROS., Bayshore and Oakland Highway, San Jose, will build an addition to warehouse at 1025 North 13th Street, San Jose. The intra state trucking firm reports an estimated cost of \$50,000. Owners will contract.

SCOUTS SEE IKE TODAY

President Eisenhower today told the 1,561 members of the American contingent to the Eighth World Jamboree opening today at Niagara-on-the-Lake, Ontario, Canada, that "this meeting of Scouts and their leaders from many countries should help to strengthen, in a way not possible for governments alone, bridges of international understanding and friendship."

About 10,000 Scouts, Explorers, and adult leaders from twenty-eight nations are camped on the edge of the town on a mile square of rolling park land, a historic site where General Brock camped during the War of 1812, which forms a scenic backdrop for all Jamboree activities. The Canadian Department of National Defence and the Niagara Parks Commission gave the use of the site for the jamboree.

The president said: "This meeting of Scouts and their leaders from many countries should help to strengthen, in a way not possible for government alone, bridges of international understanding and friendship. It should demonstrate that the principles of reverence, helpfulness, and personal honor on which the Scouting movement is founded are valid at any time and at any place, and that the moral qualities which make a Scout a good citizen in his own nation are the qualities which will enable him and his fellow countrymen to live as good neighbors with people in other parts of the world."

Visual Training Meet In San Jose

Dr. Robert Jasmine, a Campbell optometrist, will join more than two hundred members of the California Optometric Association at the annual Visual Training Workshop August 20 and 21 in San Jose. The Workshop specializes in practical training for the improvement of vision, particularly that of school children.

Speakers at the conference will include Dr. Leo Manus, Chicago College of Optometry; Dr. Max Schapero, Los Angeles College of Optometry; Dr. Warren McQuarrie of Los Angeles; Dr. Donald Jaques of Monterey, and Dr. Charles J. McDonald of San Jose.

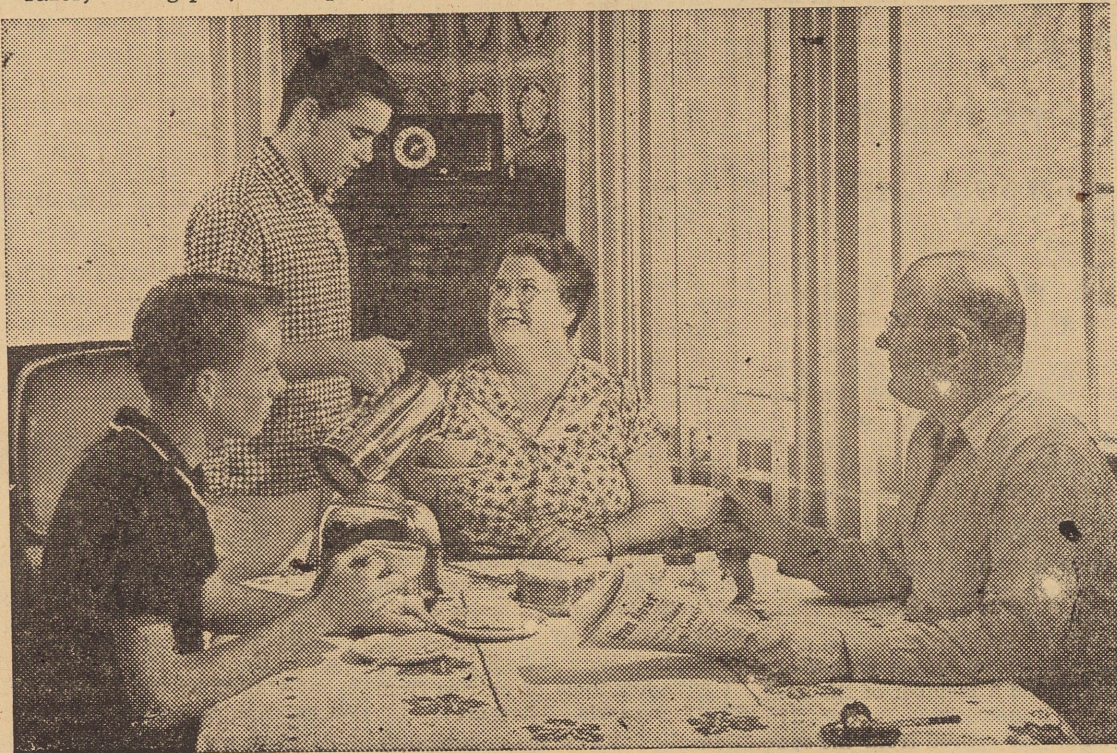

The Chairman of the Workshop Committee is Dr. Bert C. Hersch. Other committee members include Dr. Goodloe Gilmer, Dr. Robert A. Greenley, Dr. Lawrence H. Foster, all of San Jose, Dr. Robert Jasmine of Campbell, and Dr. Seymour Galina of Los Altos.

Meet the Longs who set up housekeeping in San Jose in 1935

20 YEARS AGO — when George and Jean Long were married, they had just four appliances: range, water heater, waffle iron and radio.

TODAY — their comfortable home has 19 more appliances, including: refrigerator, washer, ironer, gas furnace, television set, vacuum cleaner, toaster, mixer, clock, coffee-maker, razor, heating pad, record player, sun lamp, 2 radios, fan, hedge clippers and drill.

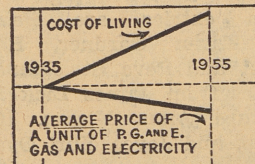

Today they buy \$18 worth of gas and electricity for \$13

...for the average unit cost is less than it was in 1935

Most Californians, like the Longs, have added gas and electric servants over the years. The average California home uses three times as much gas and electricity as twenty years ago. Naturally, your total bill is higher, but the average price of a kilowatt hour of electricity and a cubic foot of gas is about one-third less than in

1935 — thanks to mass production economies. As a result, the Long's gas and electric bill in a recent month was \$13.73. In 1935 the same amount would have cost over \$18.00. And this same saving will most likely apply to your bill. Can you think of any other prices that are lower today than 20 years ago? No wonder we say...

Gas and electricity are cheap in California

The high school age Pilgrim Fellowship group of the Congregational Church will have Keith Sorenson, district attorney of San Mateo, as guest speaker Sunday evening when it meets at 7:30 p. m. at the church. All high school students are invited to attend. Refreshments will be served.

Mr. and Mrs. Ernest Larkin and sons Dannie and Mike of 600 Snyder Drive, have returned from a two week camping and fishing trip near Mt. Lassen. They were accompanied on the trip by their good friends, Mr. and Mrs. Keith Sorenson and children Tom and Ann.

Bonnie Rappe of Rosemary Lane celebrated her ninth birthday Tuesday with a picnic at Alum Rock Park with some of her friends. The girls spent the day wading in the creek, collecting rocks and hiking around the park under the watchful eye of Mrs. B. C. Rappe. Celebrating with Bonnie were Jackie Orsi, Teri Orsi and Linda Faulkner.

Mr. and Mrs. C. C. Gilliam, of 151 Rincon Avenue, have just returned from a four day trip to Riverside where they attended the christening of a new grandson born to their son Clinton and his wife. The new baby has been named Clinton, Jr., and is the seventh grandchild for the senior Gilliams.

Mr. and Mrs. Charles Henizer of 601 Emery, Mr. and Mrs. Howard Payne, of Everett Avenue, say they had a wonderful time on a vacation trip to Fallen Leaf Lake. Mrs. Payne drove up with the Henizers August 1 and her husband, Howard, joined them over the weekend. The group spent most of their time boating and swimming, with time out now and then to visit concessions around the lake.

Hancie Naylor who went to El Salvador to teach in a private school last year is expected back in Campbell around Christmas time, according to her sister, Mrs. Jessie Boyrie. School vacations Naylor is to embark on a Caribbean cruise on a freighter with several friends before returning to Campbell. She was a teacher in the Campbell Union Grammar School for 30 years before retiring, only to take on the new assignment after a year of leisure.

Mr. and Mrs. Milton Nelson of the Nelson Grain and Supply Com-

Harry Bartolomei, who has been named chief engineer of KNTV, Channel 11, scheduled to go on the air at San Jose Sept. 1, it was announced today by A. T. Gilliland, president of Standard Radio & Television Company, licensee of KNTV.

Moorpark Faculty Enjoys Potluck

Not content to wait until the opening of school to have a gathering, the Moorpark faculty held a potluck at the residence of Mr. and Mrs. Clifford Cassiday of Camino Drive, Campbell, Sunday evening.

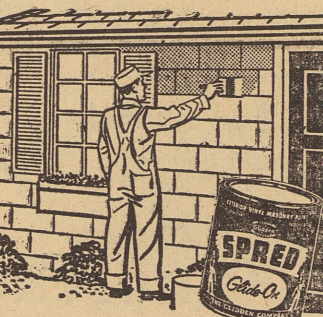

Vacation tales were swapped, pot luck was enjoyed as old acquaintances were renewed and plans for the coming year were discussed informally. A sad note to the occasion occurred when Mrs. Kay Guio was informed that vandals had completely stripped her room of everything, valuable or not.

Some thirty teachers, custodians and their spouses enjoyed the get-together.

pany are on a ten day vacation trip at Banff and Lake Louise, Canada as guests of the Albers Milling Company. Mr. Nelson was one of two sales representatives in Northern California to receive the award. The contest was based on grain tonnage sold increase over the previous year.

Back home after serving 19 months in Germany with the Army, is Salvatore Cosentino, son of Mr. and Mrs. Dominic Cosentino of Cambrian Park. Salvatore returned July 27 and brought with him his new bride, Angela, whom he married in Rome last April. Salvatore says his bride is continually amazed and impressed with America and American gadgets, and especially likes the large yards of American homes.

Campbell Little League Season Closes

WESTERN GRAVEL WINS LEAGUE CHAMPIONSHIP

Western Gravel won the second half title and sewed up the seasonal championship in the Campbell Little League on Saturday by blasting Jay's Sheet Metal 10 to 4 as John Ezzie struck out 14 batters and the season with 8 wins and no losses.

Lou Miranda led the hitting for the winners with a homer with two men on. Del McCoy got a single for Jay's making him the team's leading hitter. Box score:

Aquacade Tonight And Friday At Campbell Pool

The second annual aquacade to be presented by the synchronized swim team of the Campbell High School Summer Recreation Department will be presented tonight and Friday, August 18 and 19, at 8:30 in the high school pool.

Entitled "Crystal Ball", it will feature exhibitions of precision team swimming, dance and comedy numbers by twenty-five girls from 13 to 18 years of age, according to Miss Jeannene Lathrop, girls' high school swimming instructor, who has trained the girls. All costumes, some fluorescent, have been especially designed for each number.

An added attraction will be a diving exhibition by Bill Finch and Company. Finch is swim coach at James Lick High School and instructor at the Campbell pool during the summer.

The program will be announced by Carol Foster and is as follows: Solos, "Little Red Monkey" a comedy by Jill Chambers; "Dream Girl", by Ruthie Phillips; "Egyptian" by Carol Mack; and "Oriental" by Myra Randolph.

Howsworth, lf	2	0	1

Totals	2	7	2

The Yankees exploded for seven runs in the 5th to crack open a tight 3-2 ball game.

Wait Guilbert, Yankee third baseman also drove in three runs as he pounded out two hits. Standing out defensively was centerfielder Bob Taylor of the Yankees who ended the game with a sparkling running catch.

Need A Car Wash?

The youth group of the Methodist Church will have a car wash Saturday, August 20, from 9 a. m. to 5 p. m. in the rear of the church on Campbell Avenue.

The young people promise to give each car a thorough cleaning and also guarantee their work. Proceeds will go into the summer camp fund which this year will send ten young people to Camp Skylark at Lake Tahoe.

Dance duets, "Lonesome Two-some" a comedy of two sharks by Linda Curtis and Silvia Ramirez; "Un Grande Amour", by Ruthie Phillips and Myra Randolph; "Mysterious Moods", by Leonora Forman and Carol Mack.

Group numbers include, "Sleepy Time Gal"; "Enchantment" using fluorescent hoops; "Mystic", a blackout number done with lights; "Square Dance" and "Blue Scarecrow".

Specialty dance numbers of "Rock Around The Clock" and "Putting On The Ritz", will be performed on the deck by nine of the girls.

Program will be directed by Jeannene Lathrop, club adviser. Her troupe will consist of Linda Foreman, Carol Young, Diane Waynflete, Linda Curtis, Donna Lenz, Marilyn Gilpatrick, Ruthie Phillips, Jeanne Oldham, Linda Anger, Nancy Miller, Sheila White, Dolores Purvul, Dolores Brennan, Janet Meckler, Sally Alpers, Barbara Baumgardner, Joan Farley, Judy Christian, Sharon Johnson, Sylvia Ramirez and Julia Holglund.

The pool has been protected with a canvas windbreak and spectators will view the show from bleachers installed inside the pool area. A small admittance fee will be charged. Tickets may be purchased at the box-office window or from any of the girls. All proceeds will go to the recreation department to help finance its summer programs.

LEGAL NOTICE

RESOLUTION NO. 214

BEING A RESOLUTION FIXING THE TAX RATE FOR CITY OF CAMPBELL FOR THE FISCAL YEAR 1955-1956

WHEREAS, the City Council of City of Campbell, California, did heretofore by Ordinance fix the sum of Fifty Four Thousand Eight Hundred Four and 93/100 (\$54,804.93) as the amount of revenue necessary for the operation of the various departments of the City, and

WHEREAS, the sum of Seven Million, Three Hundred Ninety Thousand Four Hundred Fifty Dollars (\$7,390,450.00) has been determined by the auditor of the County of Santa Clara as the total value of all property within City of Campbell as ascertained from the assessment books of the County, for the year, and

WHEREAS, this is the time set for the fixing of the tax rate for City of Campbell, California for the fiscal year 1955-1956.

NOW, THEREFORE, BE IT RESOLVED by the City Council of City of Campbell that the tax rate sufficient to raise the amount fixed by ordinance and for the expense of collection of the same be, and it is hereby fixed at .74156 per \$100.00 of assessed valuation;

BE IT FURTHER RESOLVED that the City Clerk immediately transmit to the County Auditor a statement of the rate of tax as so fixed.

PASSED AND ADOPTED this 15th day of August, 1955, by the following vote:

AYES: Councilmen: Arends, Chargin, Daum, Rose, Morton
NOES: Councilmen: none
ABSENT: Councilmen: none

APPROVED: RICHARD W. MORTON Mayor

ATTEST: DOROTHY TREVETHAN City Clerk

I, DOROTHY TREVETHAN, City Clerk of City of Campbell do hereby certify that the foregoing is a true and correct copy of a Resolution adopted by the City Council of City of Campbell on the 15th day of August, 1955.

DOROTHY TREVETHAN, City Clerk

Helen Hanson Head Of Catholic Social Service In County

Reverend Father Robert W. McDonald has announced the appointment of Mrs. Helen S. Hansen as Executive Secretary of Catholic Social Service of Santa Clara County, a Red Feather Agency.

Mrs. Hansen succeeds Miss Gertrude Miller who resigned to return to her home in Rockford, Ill.

Mrs. Hansen was Director of Social Service at Mercy Hospital and Mercy Free Dispensary in Chicago for the past ten years.

Mercy Hospital is the teaching center for the Stritch School of Medicine of Loyola University and St. Xavier's College School of Nursing. Mrs. Hansen was on the faculties of both schools.

There are 43 piers and terminals and 18 miles of berthing space at the Port of San Francisco.

INK STAINS

By HELEN McLEOD

IF YOUR TREES ARE DYING, it may be from oak fungus. Many householders in Quito area that I know of have had seemingly healthy trees curl up and die. This happened to us several times, so we called the Department of Agriculture in San Jose and the representative who examined the trees, said, fungus was the cause. The only cure he knew of is to tear out every tree, shrub, and blade of grass, completely sterilize the soil, then start all over again. His department gets similar complaints from residents in the entire area.

NEW ARRIVAL AT THE WILLIAM MADEIRA home on Devon is Mary Ward, born Wednesday, August 10 at O' Connor's Hospital. The older children are Maggie Ann and Martin.

WARRANT OFFICER JAMES H. STEELE has returned to his ship in Boston, Mass., after visiting his wife, Kathie, and, son John in their McCulloch Avenue home last month. A few friends had a farewell gathering at the Steele's. Among the couples present were Mr. and Mrs. Adrian Jones, Mr. and Mrs. Paul Wright, and Mr. and Mrs. E. A. Pechin.

BARBARA ALLISON SMITH, age 8, is visiting her aunt, Mrs. E. S. Stephenson who lives in Quito. Barbara is the daughter of James T. Smith of Salinas. Last week, visitors for the day at the Dr. Stephenson's home were Mr. and Mrs. George Woods of Houston, Texas, and Mrs. D. D. Storer of Salinas, mother of Mrs. Stephenson.

THE DONALD THOMAS FAMILY had visitors from Los Angeles recently. Bud Thomas, his wife and three children stopped by his brother's McCulloch Ave home en route to Idaho—where he intends to complete his month's vacation. Mrs. Donald Thomas is nurse-receptionist in the office of Dr. E. S. Stephenson in Quito.

MRS. JERRY S. CLOSE OF DEVON AVE, just returned from a week's visit with her sister, Mrs. Robert Thomas in San Mateo. Mrs. Thomas, after ten years of marriage, just had her first, Susan. Mrs. Close, together with Mrs. Barbara Towne, will be leaders of a new group of Blue Birds (Junior Camp Fire Girls) in Quito School in the Fall.

MR. AND MRS. DICK PATRICK OF QUITO ROAD are expecting their son Mike, 10 years old, to return this week-end from a two months visit with relatives in Arizona. The other Patrick children are Lynn, 7, and Pam, age 5. Mrs. Patrick is one of Quito Cub Pack 35 Den Mothers, and she says that the Pack is having a picnic Aug. 28 at a park near Santa Cruz.

AN EXCITING DAY WAS had by the Charles Younis family the end of July. They took a trip through Disneyland with daughter Jerry, and were very impressed with what they saw and experienced. Jerry spent the last week up at Camp Fire Girls' Camp Wastahi.

MR. AND MARE JAMES TOWNE, McDole Avenue residents, spent a few days on the Coast, after having visited relatives in Eureka.

Cambrian Teacher Shares In Estate

A \$127,511.77 estate was left to his six children by Giuseppe LaMalfa, Morgan Hill orchardist who died March 11. Each will receive \$21,151.96 according to Frank Townner, tax appraiser.

They are Carmel LaMalfa, principal of the Cambrian School, Eleanor Miller of 372 Patch Avenue and Mary Nancarrow of 1727 E. San Antonio Street, both San Jose; Aquilina Paris of Madera, Joseph Madera of Ukiah and Anthony LaMalfa of Richvale.

Rapid Transit To Link Bay Region

Nine counties would be linked in a rapid transit system proposed by a commission this week, to be controlled by a huge electronics network. Routing would be automatic.

Stations in the area of smaller cities would be located at points between cities to provide equal service. In suburban areas the system probably would operate at ground level.

Passengers boarding at San Jose would be brought to Union Square in San Francisco in a matter of thirty-six minutes; fifteen minutes from San Francisco to Berkeley; twenty-five minutes from Union Square to San Rafael, and an hour from Santa Rosa to San Francisco, the longest trip on the system.

Trains would whip along at seventy miles an hour on some straightaways, Norton said, without a motorman. Guards would be placed on trains possibly in early morning hours to protect passengers against the normal dangers from thieves and robbers.

Campaign Boosts Home Merchants

By Del Lucot, Pres. Pro Tem Chamber of Commerce

For many years the Chamber of Commerce has been boosting merchants, the home-town businessmen simply because the merchant stands behind the home town at all times willing to lend a helping hand in support of every move and because they back every move that is for the best interest of Campbell.

Back of every movement for good—for progress, development and uplift, are the home town merchants, and usually only the home town merchants, while others "pass the buck" except during beneficial showers.

Who contributes most to community welfare—to church, to school, to society, to civic movements, to charity and improvements? Usually, only the home town merchants.

Who are the vital forces in every organization having to do with community life and improvements? Usually, only the home town merchants.

Who are the first to work for needed improvements, for better streets—for a cleaner city, for city beautification—for the very things that make us proud of our home town? Usually, only the home town merchants.

Who are the first to combat the things that are injurious to our community—to society—to our industrial, commercial, financial and moral life? Usually, only the home town merchants.

Who digs into their pocketbooks deeper than the home town merchants to support community benefits? "Day by day, in every way," home town merchants are contributing of their time, their energy and money to make this community a bigger and better place in which to live.

It is proper and fitting then, that we give more than a passing thought to the debt we owe the home town merchant and that we come to the realization that this debt can be repaid by giving to them the trade of the community, a trade well earned and rightfully theirs.

The truth of the matter is, home town merchants are selling goods at, or less, than prices elsewhere, and if we will be fair and include additional expenses incurred when trading away—we are bound to admit that it is cheaper to trade at home besides showing a spirit of reciprocity.

Keep Business Home
Spend your money elsewhere, and the merchants will be forced to go out of business and to seek a new location where more civic pride and community spirit exists. And you may be sure that no other business men will come in to take their place, as for nothing scares business away from a town as much as "for rent" signs on vacant store buildings.

RED FEATHER AGENCY SERVES CAMPBELL AREA

Goal of the 1955-56 Red Feather Campaign for support of 27 Community Chest agencies which serve Central Santa Clara County, including Campbell, will be \$410,900.

Announcement of the record new goal was made by Walter Gipe, president of Community Welfare Council of Santa Clara County, which is responsible for conducting the annual Community Chest campaign.

The Campbell Community Chest recently affiliated with the Community Welfare Council of Santa Clara County, and the Red Feather agencies which serve Campbell will receive support next year from funds to be raised in this campaign.

Included in the 27 Red Feather agencies which will receive allocations in 1956 from campaign funds are the Campbell Milk Fund and the Campbell Library Fund.

Goal of the Red Feather campaign conducted last year by Community Welfare Council of Santa Clara County was \$361,131, and the appeal succeeded by 100.7 per

STATE APPROVES GRANT FOR NEW CAMBRIAN SCHOOL

The State Allocation Board has approved a \$496,170 grant to the Cambrian Elementary School District for a 10-room new school and for additions to another school in the district.

Robert C. Lindsey, general chairman of the coming Chest campaign, declared yesterday that inasmuch as the new goal is approximately 14 per cent above that of last year, his volunteer solicitors will ask contributors to give that much more this fall.

"I'm confident we can make the goal, but it will take more generous contributions all along the line," Lindsey said. "We will ask every one to increase his subscription at least 14 per cent."

Among reasons for the increased goal are extension of the Chest area to include Campbell, Cupertino and Monta Vista, the rapid growth in population, the increased cost of operation of the Red Feather agencies, and the fact that four new services are included in the Chest for next year. They are the Campbell Milk Fund, the Campbell Library Fund, the Cupertino Community Welfare Fund, and the Children's Home Society of California.

Camp Fire Girls Hold Day Camp At Blackberry Farm

Many Campbell District adults and children enjoyed the recently completed Camp Fire Girls Day Camp Experience at Blackberry Farm in Cupertino. Mrs. Leslie Jauncey, who is leader of a group of local girls as well as president of the county executive board, was on hand daily, assisting Miss Barbara Lindfors, county field worker and director of day camp.

Mrs. Boyd Rappe of Rosemary Lane not only was a daily helper, but brought her group of Campbell High Horizon Club girls along as baby sisters. In this group were Edwonne and Pat Rappe, Florence Edwards, Joanne Brusin and Margaret Smith. This group of girls assists Mrs. Rappe with a young Blue Bird Group (Junior Camp Fire Girls), and many of these little girls enjoyed this week of day camping. These girls were Kathie West, Marty Weidemann, Dianne Johnson and Bonnie Rappe.

Mrs. Harry Smith, Campbell District Chairman, taught the girls dramatics, and in addition, had charge of the very charming and effective Grand Council Fire Ceremony which climaxed the week's activities.

Mrs. Beryl Garcia of 225 Milton Avenue, Campbell, taught the girls copper tooling, the finished products of which were on display, together with many other hand-crafts, for the parents to examine on the council fire night, when all were invited. The older girls were permitted to remain that evening and have the fun of sleeping on the ground. Girls from the entire county attended this first year of Camp Fire day camping, some coming daily from distances as far as Gilroy.

Miss Marlene Zoria taught the girls sports, games and folk dancing and Mrs. Andrew Mestice familiarized the groups with camp crafts, and supervised the cook outs. Mrs. Jauncey took charge of singing as well as hand craft.

Church Women To Sponsor Luncheon

The women of the First Methodist Church of Campbell will sponsor a merchants' luncheon at the church on October 13.

The luncheon will be put on by a San Francisco advertising firm who serve only name brand foods. Samples of regular sized containers of food will be given as door prizes.

Rummage Sale To Benefit Children

The Westhills Service Club will hold a rummage sale next Thursday, August 25, at 124 N. Market Street, San Jose, from 9 a. m. to 5 p. m.

The sale is for the benefit of home-bound children.

Sale items include nice clothing, lamps, venetian blinds, bric-a-brac, and numerous other good usable articles, according to the chairman, Mrs. Bernice Luoto.

The Rev. Walter E. Schmidt, S. J., founder and director of the Santa Clara County Youth Center for 11 years, will be honored at a testimonial dinner Thursday, August 25 at 7 p. m. in the Empire Room of Hotel St. Claire.

The dinner will pay tribute to Father Schmidt who will leave his youth center post Sept. 1. He has been granted an extended leave of absence because of poor health and has received temporary assignment to St. Francis Jesuit parish in Phoenix, Ariz.

Atty. General Edmund G. (Pat) Brown, will be featured speaker at the dinner.

In 11 years the Santa Clara County Youth Center, under Father Schmidt's direction, has grown from 20 teen-age members from the city of Santa Clara to an organization of more than 4,000 boys and girls from a county-wide area.

The center has won many national honors for its part in the fight against juvenile delinquency.

Reservations for the dinner may be made by calling AX-minster 6-5775. Alex J. Hart is chairman of the affair.

TWO CORPORATION YARDS CLOSED BY SC COUNTY

Two corporation yards in the Mountain View area, no longer needed by Santa Clara County, are being put up for sale.

The Board of Supervisors set Sept. 12 as the time for opening sealed bids for the purchase of the sites.

One of the yards is on Bailey Avenue within the Mountain View city limits. The other is on Church Street a short distance outside the city.

A study of suitability of the sites for use by the City of Mountain View is being made at the direction of the City Council, Assistant City Manager Dean Haug said today.

VARIAN ASSOCIATES, 611 Hansen Way, Palo Alto, plans to construct new research building at its present electronics plant at reported cost of \$259,837. Mr. Russell Varian is president, Mr. H. M. Stearns is general manager and Mr. Hamilton Schutts is purchasing agent, for the firm which employs 600 people. Contractor is John Rademann, 4828 Geary Blvd. San Francisco.

CARMEL LaMALFA BECOMES BRIDE OF MR. LEE HEREFORD

Now at home in Campbell after a honeymoon trip to northern California are Mr. and Mrs. Leland E. Hereford, who recited their nuptial vows July 30th in Memorial Chapel of San Jose State College. Judge Percy O'Connor performed the evening ceremony before a white magnolia and glad- ioli banked altar. The bride is the former Carmel La Malfa.

For her wedding, Carmel selected a princess-styled ballerina-length gown of ice pink crystalline with capped sleeves and rounded neckline accentuated with tiny

seed pearls. Her pink illusion veil was caught to a small cap of matching crystalline embroidered with seed pearls. Carrying a French bouquet of white carnations and pink baby roses, she was escorted to the altar by her brother, Joseph La Malfa.

Matron of honor, and only attendant of the bride, was her sister, Mrs. Jack Nancarrow, who wore a pink nylon dotted Swiss and carried a French bouquet of pink and white carnations.

Mrs. C. A. Paris, the bride's eldest sister, wore an afternoon dress of Nile green lace over taffeta

styled with picture collar.

Mother of the groom, Mrs. Frank Hereford, chose a dress of navy blue crepe.

Anthony La Malfa performed the duties of best man and Delos Bagby and Albert Vatuone served as ushers. Vocal selection were by Mrs. Shirley Ely who sang "At Dawning" and "Ave Maria" accompanied on the organ by Mrs. Dorothy Smith.

Carmel is the daughter of the late Mr. and Mrs. G. La Malfa of Morgan Hill, sister of Mesdames Jack Nancarrow, and James H. Miller, both of San Jose, and C. A. Paris of Oroville. She is a graduate of Morgan Hill school and San Jose State College and is now principal of Cambrian Elementary School.

Illegal Burnings

Firemen investigated two illegal burnings Monday, August 15. One at 130 Dillon and the other at 420 El Patio.

Leland is the son of Mr. and Mrs. Frank Hereford of Campbell and a graduate of Campbell High School.

Following the wedding ceremony, two hundred guests attended the reception at the De Anza Hotel to offer felicitations to the young couple. After cutting their six tiered wedding cake, the bride donned a navy blue coat-dress with navy accessories and left for a wedding trip with her new husband.

Birthday Party For Glen Pierson

Balloons filled the air and coins, hung on a dart board had the interest of boys attending the 9th birthday party Saturday of Glen Pierson, son of Mr. and Mrs. Frank Pierson of 100 Catalpa Lane. By throwing darts, the boys popped the balloons and collected the coins.

They also had other games and did tricks for which there were prizes and favors, and they were served ice cream, cake and punch.

Guests were Ronnie Morton, Tommie Kahrmann, Louis Cotton, Peter Swan, Allan Carroll, Tommy Tragarth and dBilly Parker.
